FESTIVE PROGRAM

KLOSTERS
2025-2026

Dear Guests,

When the snow falls softly and the scent of freshly baked cookies drifts through Sunstar Klosters, our chalet hotel transforms into a place filled with warmth and magic. Here, where the mountains sparkle in the winter light and the days seem to slow down, we look forward to celebrating the most festive time of the year with you.

Our program is an invitation to let 2025 come to a mindful close — with quiet moments by the fireplace, heartfelt encounters, culinary highlights, and small adventures in nature. Whether you wish to feel the magic of Christmas, welcome the New Year with us, or simply enjoy the here and now, you are free to shape your days in whatever way feels best for you.

We look forward to sharing special moments together and wish you a wonderful Christmas season filled with warmth, joy, and moments from the heart.
